

Department of Chemistry, IISER Tirupati

Candidates shortlisted for the Ph.D interviews - August 2021 Session

With reference to the application for admission to the PhD program in Chemistry at the Indian Institute of Science Education and Research (IISER) Tirupati (Advertisement dated April 23, 2021) the following candidates are shortlisted (not in the order of merit) to appear for the interview to be held during June 21-22, 2021. Because of the unprecedented situation prevailing in the country, interviews will be held online through Zoom or Google Meet platform. Detailed information about the timings and link for interview will be communicated to the candidates through email.
