

Global Women's Breakfast

Empowerment of Women in Science:
Building Bonds to Create Future Leaders
March 8th, 2020

More than 150 Individually Planned
Events from 44 countries around the
world reflecting the culture and
interests of local communities

Goals:

- Assist women scientists to expand their network of contacts and colleagues, both locally and internationally.
- Bring together women scientists of different career stages to learn from each other.
- Celebrate the accomplishments of women scientists throughout history.
- Connect organizations of all types with each other on a single day in a global hand wave around the world.

Participating Institutes:

- IISER Tirupati
- IIT Tirupati
- Sri Padmavati Mahila Visva Vidyalayam, Tirupati
- SV University, Tirupati

Date: 08.03.2020

Time: 08:30 am – 10:30 am

Venue: Multipurpose Hall,
IISER Tirupati.
