भारतीय विज्ञान शिक्षा एवं अनुसंधान संस्थान तिरुपति INDIAN INSTITUTE OF SCIENCE EDUCATION AND RESEARCH TIRUPATI

Criteria used for shortlisting applicants for I-PhD program (2021) at the Department of Physics, IISER Tirupati and the list of shortlisted applicants for interview

Basic criteria for shortlisting the applications

- 1. Students with minimum 60% marks in aggregate (overall percentage with all subjects) or CGPA 6.5 out of 10-point scale in B.Sc./B.Tech./B.E. or any equivalent degree.
- 2. In addition to the above, students must have qualified JAM (Physics) 2021 or JEST (Physics) 2021.

If the aggregate percentage of marks of an applicant was declared by their university or college after the application deadline and if it does not meet the prescribed eligibility criteria, the applicant is requested **NOT to appear** for the interview.

Additional shortlisting criteria:

Due to the unprecedented situation that exists currently because of Covid-19, we will be conducting the interviews online. Since we received a large number of applications for the I-PhD program, additional shortlisting criteria have been used to restrict the number of applicants. Cut-off marks for various categories in JAM and JEST exams are provided below.

Category	JAM	JEST
General	300	252
OBC (NC)	500	399
EWS	500	399
KM	770	
SC	1000	399
ST	3676	
PwD	6651	

For JEST exam, the largest cut-off was decided based on the cut-off set by the JEST examination panel.

Important Instruction:

All the shortlisted applicants will receive an email about the details of the interview. If anyone in the list below has not received the email by 06.09.2020, please contact us at physiphdselection@iisertirupati.ac.in.

Nature of the selection process: Online interview

<u>Dates for interview:</u> 10 – 12 September 2020
