2. Expression Of Interest

EOIs are invited from eligible, reputed and qualified agencies with sound technical and financial capabilities for Construction of Pre-Engineered building **Indian Institute of Science Education and Research Tirupati, P.O. – IISER Tirupati, Tirupati- 517507**, as detailed out in the Scope of Work of this Expression Of Interest(EOI) Document. This invitation to bid is open to all Bidders meeting the pre-qualification criteria as mentioned in this EOIDocument.

Background Information

Basic Information

a) **Indian Institute of Science Education and Research Tirupati, Tirupati- 517507** invites responses to this Expression Of Interests (“EOI”) from Companies / Agencies (“Bidders”) for selection of agency for the Design, supply and Erection of Multi-Purpose Dining Hall at IISER Tirupati Transit Campus.

b) Proposals must be received not later than the time, date at the venue mentioned in the Fact Sheet. Proposals received after the deadline WILL NOT be considered in this procurement process.

c) Interested bidders are advised to study the EOI document carefully. Submission of response shall be deemed to have been done after careful study and examination of the EOI document with full understanding of its implications.

3. Scope of Work

Detailed specification of Multi-purpose Dining hall

The Multi-purpose Dining hall shall be a Conventional steel building (CSB) or Pre Engineered Building (PEB). The roof and wall shall be of sandwich type panels capable of thermal insulation. The above shall be designed, manufactured, supplied and erected by the bidder/agency. The Hall shall be complete with painting, metal fascia, metal gutter, rain water down comers, sun-shades, openings, etc.

The successful bidder shall have to get the structural design done as per the prevailing Indian standard codes and other relevant Standard. The structural design of Multi-purpose Dining hall shall be approved by Government institutions or any approved agency by the Government.

The architectural drawings are attached to this tender document to provide general idea about work to be performed under the scope of the contract. The hall shall have robust water tightness at all joints and connections. The design loads to be considered shall be as per IS 875.

- **Sub Structure :**

- SBC of soil – 178 kN/m².
- Minimum Grade of Concrete : M25.
- Plinth Level @ 1.2m from Natural ground level.

- **Super structure :**

No. of Storey's – 1

Finished floor level to False ceiling height – 3.00 m

Flooring –Vitrified Tiles 600mm x 600mm of approved shade & brand.

- **Roof & Wall Panelling :**

The panels shall be made out of minimum 0.4 mm thick Pre coated Profile steel sheets at outer side and minimum 0.25 mm thick Pre coated plain sheet at inner side of PUF. Total thickness of roof panel shall be of minimum 30 mm and the thickness of wall panel should be of minimum 50mm. PU must be CFC free, self-extinguishing, fire retardant type having density of 40Kg/CUM. (\pm 2Kgs). The Profile and shade for roof and wall panels shall be put up for approval to the Engineer-in-Charge. The joints in roof and wall paneling should remain leak free. And

- **Doors & Windows:**

Doors & Windows shall be aluminium wither Powder coated or Anodized as per CPWD specification. The Doors & windows shall be complete of all locks, tower bolts, hydraulic door closers, Handles, Hinges etc. The Windows shall be of sliding mechanism.

- **False Ceiling:**

Supply and Installation of Tiles (Tegular & Square edge) of size 600mm x 600mm as specified & Approved by the Engineer in charge.

Note: Additional supporting arrangements, if required, shall be provided near openings for light fittings diffusers etc. shall include making cut-outs for tube lights, spot lights of specified size etc .. , shall also include for providing additional trimming around cut-outs for light fittings etc., and also for providing additional supports from ceiling where

main/cross members are cut for light fittings etc.,

- **Paint and Coating:**

Paints & coatings for Steel, Aluminium & puf panel shall be approved by the engineer in charge and will comply to CPWD specifications and relevant Indian standards.

- **Electrification & Lighting:**

Vendor shall ensure that the room is designed to utilize maximum natural light during the day. Vendor shall also ensure that supply of Electric Fixtures for the room with electric lights to achieve average illumination as per IISER Requirements. Vendor Shall Supply Fan & Light with Required Electrical Enclosures Switches Switch Board Distribution Board, Panels, Wires & Cables with Casing Capping & all other relevant Accessories.

1. 35W LED Light Fittings of 600mm x 600mm size – 32 Nos.
2. Ceiling Fans of 1200mm sweep – 20 Nos.
3. 6 Modular PVC box with front plate having 2 Nos of 6 A switch and 2 Nos of 6 Sockets – 10 Nos.
4. 8 Modular PVC box with front plate having 2 Nos of 16 A switch and 2 Nos of 16 Sockets – 4 Nos.

- **Additional specifications.**

Closures: Solid or closed cell closures matching the profiles of the panel shall be installed along the eaves, rake and other locations.

Flashing and Trim: Flashing and / or trim shall be furnished at the rake, corners, eaves, and framed openings and wherever necessary to provide weather tightness and finished appearance. Color shall be matching with the color of wall. Material shall be 26 gauge thick conforming to the physical specifications of sheeting.

Gutters and Down comers: Gutters shall be fabricated out of same metal sheet. Material shall be same as that of sheeting. Down comers shall be of galvanized steel pipes or PVC designed to ensure proper roof drainage system.

- **General Instructions:**

All the supply and work shall be in accordance with the relevant codes and recognized standards and modern approved trade practice and shall meet the requirement of the latest codes, factory rules and regulations, supply codes and all standard accepted practice in locality where the installation is to be made.

All the materials and accessories provided by Contractor under terms of this contract shall conform to the relevant Indian Standard Specifications.

Samples of all equipment, materials and accessories to be supplied by the Contractor shall

be submitted for the approval of the EIC IISER before they are supplied and used.

Contractor shall provide all necessary labour, tools, and other requisite work like drilling, cutting, welding etc. at his own cost.

Good workmanship is the essence of this contract and shall be complied with at all time.

The Contractor shall have the works supervised by qualified and experienced engineers. All the defects pointed out by the engineer shall be rectified immediately by the Contractor free of cost.

The installation shall generally be carried out strictly in conformity with the requirement of latest edition of the Indian Electricity Act, 1910 as amended and the Indian Electricity Rules, 1956 framed there under and all others statutory regulations that may be relevant to the installation.

No alteration which may affect the structures and architecture of building shall be done without the prior approval of the engineer.

All work shall be carried out in such a manner that it should not cause any inconvenience to other works which are under progress.

The Contractor shall co-operate with other agencies in the area for the smooth execution of all works.

Accidental damage to any property shall be reported immediately to site engineers and letter confirmed in writing.

Water requirement for construction works shall be arranged by the Agency. Accommodation for the Labour to be arranged by the agency.

4. Essential Technical Pre-requisites

- 1) The bidder should be a company/ firm registered (minimum 5 years old) in India. The registered bidder should be operating in India for a minimum of three years in doing similar works.
- 2) The bidder shall be single point of contact with the **Indian Institute of Science Education and Research Tirupati** and shall be solely responsible for the execution and delivery of the work.
- 3) The average annual turnover of the bidder should be at least Rs.50 Lakhs during last 3 financial years. The turnover should be of the bidder and not of the group companies. The turnover refers to a company turnover and not the composite turnover of its subsidiaries/sister concerns etc. for 2016-17, 2017-18, 2018-19.
- 4) The bidder should not have incurred any loss during last three years up to financial year ending 31 March 2019. The bidder should submit certified copies of their company Balance Sheet and Profit and Loss Account duly audited for the last three financial years.
- 5) The Bidder should be registered with appropriate tax authorities such as Income Tax,

Service Tax etc. and should submit self-certified copies of valid certificates of registration with these authorities.

- 6) The Bidder Should have experience of having successfully completed works during the last seven years ending previous day of the last date of submission of tenders
- (i) 3 similar works each costing not less than Rs. 20 Lakhs or completed two similar works each costing not less than Rs 27 Lakhs or completed one similar work costing not less than Rs 36 Lakhs. The documentary evidence in form of work order/contract and performance report must be enclosed on the client's letterhead. (Bidder's past achievement in this regard shall be considered for technical evaluation).
- 7) The bidder should not have been blacklisted by central / state government departments / undertakings.
- 8) At any time before the submission of bids, **Indian Institute of Science Education and Research Tirupati** may amend the tender by issuing an addendum in writing or by standard electronic means. If the amendment is substantial, Bidder(s) shall be given reasonable time to make amendment or to submit revised bid and the deadline for submission of bids will be extended if required by, **Indian Institute of Science Education and Research Tirupati**. The **Indian Institute of Science Education and Research Tirupati** has the right to cancel or modify the tender.
- 9) Even though bidders may satisfy the above requirements, they may be disqualified in the following circumstances:
 - a) If the bidder has made misleading or false representation or facts or deliberately suppressed the information to be provided in the forms, statements and enclosures of this document. Record of poor performance such as abandoning work, not properly completing the contract or financial failures/weaknesses.
 - b) If confidential inquiry reveals facts contrary to the information provided by the bidder.
 - c) If confidential inquiry reveals unsatisfactory performance in any of the selection criteria.

5. Scoring Model

| Sr.No | Criteria | Score |
|------------|--|-----------|
| 1.1 | Technical Capability | 65 |
| 1.1.1 | Review of the submitted Design, Bill of quantities, Technical specification, Elevation & sectional Drawings, Structural drawing & finishes. Scoring will be awarded by committee based on the details furnished by the bidder. | 35 |
| 1.1.2 | Possibility of Removal and Re-fixing of the structure | 15 |
| | Yes | 10 |
| | Whether it will be taken up by the Agency? Yes | 5 |
| 1.1.3 | Number of Similar works executed | 15 |
| | Minimum Eligibility Criteria | 9 |
| | Double the minimum Eligibility Criteria | 15 |
| 1.2 | Financial Capability | 15 |
| 1.2.1 | Annual Turnover of Company for the period of 2016-17, 2017-18, 2018-2019. 50 Lakhs =>100 Lakhs | 8 15 |
| 1.2.2 | Solvency (certificate to be provided in technical bid) | 10 |
| | 15 Lakhs | 6 |
| | >30 Lakhs | 10 |
| 1.3 | Completion Certificates from Clients for similar works given in 1.1.3 | 10 |
| | Good | 5 |
| | Very Good | 8 |
| | Outstanding | 10 |

6. Evaluation of Bids

Technical Evaluation

Detailed technical evaluation shall be carried out along with other conditions in the tender document to determine the substantial responsiveness of each tender. For this clause, the substantially responsive bid is one that conforms to all the eligibility and terms and condition of the tender without any material deviation.

The evaluation committee may call the responsive bidder(s) who comply with all terms and conditions of the tender for discussion and presentation to facilitate and assess their understanding of the scope of work and its execution. However, the committee shall have sole discretion to call for discussion/presentation.

The scoring model given in the previous section shall be followed for evaluating the technical score of each bidder. The relevant documents for evaluation shall be provided by the bidders, in case any document is not submitted for scoring, it shall be treated as zero.

Financial Evaluation

The Financial Bid of those Bidders who have been found to be technically eligible will be opened. The Financial bids of ineligible bidders will not be opened.

The Financial Bids shall be opened in the presence of representatives of technically eligible Bidders, who may like to be present. **Indian Institute of Science Education and Research Tirupati** shall inform the date, place and time for opening of the Financial Bid.

Evaluation and Comparison of Bids

70 % weightage will be awarded for Technical Evaluation and 30 % weightage will be awarded for Financial Evaluation

Technical Bid will be assigned a Technical score (Ts) out of a maximum of 100 points, as per the Scoring Model provided in the previous section.

The commercial scores would be normalized on a scale of 100, with lowest score being normalized to 100 and the rest being awarded on a pro-rata basis. Such normalized scores would be considered for the purpose of QCBS based evaluation, explained in section below.

Final Evaluation Criteria - Quality and Cost based selection (QCBS)

The individual Bidder's commercial scores (CS) are normalized as per the formula below:

$F_n = F_{min}/F_b * 100$ (rounded off to 2 decimal places) Where,

F_n = Normalized commercial score for the Bidder under consideration

F_b = Absolute financial quote for the Bidder under consideration

F_{min} = Minimum absolute financial quote

Composite Score (S) = $T_s * 0.7 + F_n * 0.3$

The Bidder with the highest Composite Score(S) would be awarded the contract.

7. General Information

The tender is a 'Two Bid' document. The technical bid should contain all the relevant information and desired enclosures in the prescribed format along with Earnest Money Deposit (EMD). **The financial bid should contain only commercials. In case, any bidder encloses the financial bid within the technical bid, the same shall be rejected summarily.**

The tender document can be downloaded from the **Indian Institute of Science Education and Research Tirupati** web site. Tender fees of Rs 1000/- to be paid in the form of DD or NEFT transfer to the bank account of IISER Tirupati, details of the same to be furnished. The technical and financial documents should be kept separately in sealed envelopes and both these envelopes should be kept in one envelope super scribing "Design, supply and Erection of Multi-Purpose Dining Hall at IISER Tirupati Transit Campus" so as to reach Superintending Engineer, IISER Tirupati latest by 3.30 PM 28.08.19. Late tenders shall not be accepted. The technical bid shall be opened in the office of Superintending Engineer, IISER Tirupati on the same day at 4:00 PM in the presence of bidders who may like to be present. **Bid Validity should be one month from the date of opening of Technical Bid.**

All information called for in the enclosed forms should be furnished against the respective columns in the forms. If information is furnished in a separate document, reference to the same should be given against respective columns in such cases. If any particular query is not applicable, it should be stated as "Not Applicable". However the bidders are cautioned that not giving complete information called for in the tender forms or not giving it in clear terms or making any change in the prescribed forms or deliberately suppressing the information may result in the bidder being summarily disqualified. Tenders made by fax and those received late will not be entertained.

The Responses should be typewritten or handwritten but there should not be any overwriting or cutting. Correction, if any, shall be made by neatly crossing out, initialing, dating and rewriting. The name and signature of bidder's authorized person should appear on each page of the application. All pages of the tender document shall be numbered and submitted as a package along with forwarding letter on bidder's letter head.

The bidder should enclose bid security (EMD) of Rs. 1 Lakh of the **Indian Institute of Science Education and Research Tirupati** in form of Demand Draft drawn in a favor of **Registrar, IISER Tirupati** or through Bank Guarantee as per standard format valid for at least 3 months or NEFT transfer. The tenders without EMD shall be summarily rejected. No exemption for EMD will be entertained. The successful bidder shall be required to deposit performance security in form of bank guarantee valid for 3 months, equal to five percent (5%) of contract value within 10 days from the date of the award of the work. The EMD of the unsuccessful bidders shall be returned without interest after award of work to the successful bidder. The EMD of the successful bidder shall be returned only after submission of performance security deposit. The EMD stands forfeited in case the bidder withdraws or amends his bid after submission of tender document.

Reference, information and certificates from the respective clients certifying technical, delivery and execution capability of the bidder should be signed and the contact numbers of all such clients should be mentioned. The **Indian Institute of Science Education and Research Tirupati** may also independently seek information regarding the performance from the clients.

The Bidder is advised to attach any additional information, which they think is necessary in regard to their capabilities to establish that the bidder is capable in all respects to successfully complete the envisaged work. They are however, advised not to attach superfluous information. No further information will be entertained after tender document is submitted, unless the **Indian Institute of Science Education and Research Tirupati** calls it for.

Even though bidder may satisfy the qualifying criteria, they are liable for disqualification if they have a record of poor performance or not able to understand the scope of work etc.

Prospective bidders may seek clarification regarding the project and/ or the requirements for prequalification, in writing through mail within a reasonable time.

The **Indian Institute of Science Education and Research Tirupati** reserves right to award the work/cancel the award without assigning any reason. In case of differences, if any, the decision of the **Director, Indian Institute of Science Education and Research Tirupati** shall be final.

The payment shall be in Indian Rupees and shall be paid as per the payment schedule given in the next section. In case the bidder fails to execute the contract, the EMD will be forfeited.

Bidders are neither allowed to join hands to participate in the tender nor allowed to submit multiple bids. Any such act will make the bid liable for rejection.

Even though bidders may satisfy the above requirements, they may be disqualified in the following circumstances:

- If misleading or false representation of facts are made or deliberately suppressed in the information provided in the forms, statements and enclosures of this document.
- If they have a record of poor performance such as abandoning work, not properly completing the contract or financial failures/weaknesses.

- If confidential inquiry reveals facts contrary to the information provided by the bidder.
- If confidential inquiry reveals unsatisfactory performance in any of the selection criteria.

The technical bid shall consist of –

- Technical information as desired in prescribed format.
- The financial information as per Annexure –I.
- The details of experience of similar works as per Annexure –II.
- Organizational Structure and information as per Annexure III.
- Technical and Administrative manpower available for this work as per Annexure IV.
- **The Structural drawings, Finishing details, Specifications and BOQ for the attached tender drawing to be submitted as Annexure V for Evaluation as per Scoring model.**
- Solvency Certificate from a Nationalised or Scheduled bank.
- EMD and tender fees.

8. Appointment of Successful Bidder

Award Criteria

Indian Institute of Science Education and Research Tirupati will award the Contract to the successful bidder whose proposal has been determined to be substantially responsive and has been determined as the most responsive bid as per the process outlined above.

Right to Accept Any Proposal and To Reject Any or All Proposal(s)

Indian Institute of Science Education and Research Tirupati reserves the right to accept or reject any proposal, and to annul the tendering process / Public procurement process and reject all proposals at any time prior to award of contract without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for **Indian Institute of Science Education and Research Tirupati** action.

Notification of Award

Prior to the expiration of the validity period, **Indian Institute of Science Education and Research Tirupati** will notify the successful bidder in writing or by fax or email, that its proposal has been accepted. In case the tendering process / public procurement process has not been completed within the stipulated period, **Indian Institute of Science Education and Research Tirupati** may request the bidders to extend the validity period of the bid.

The notification of award will constitute the formation of the contract. Upon the successful bidders furnishing of Performance Bank Guarantee, **Indian Institute of Science Education and Research Tirupati** will notify each unsuccessful bidder and return their EMD. The EMD of successful bidder shall be returned only after furnishing of Performance Bank Guarantee.

Performance Guarantee

Indian Institute of Science Education and Research Tirupati will require the selected bidder to provide an irrevocable, unconditional Performance Bank Guarantee within 10 days from the Notification of award, for a value equivalent to 5% of the total cost. The Performance Guarantee should be valid for a period of 3months. The Performance Guarantee shall be kept valid till completion of the project and Warranty period. The Performance Guarantee shall contain a claim period of three months from the last date of validity. The selected bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the project and Warranty period. In case the selected bidder fails to submit performance guarantee within the time stipulated, **Indian Institute of Science Education and Research Tirupati** at its discretion may cancel the order placed on the selected bidder without giving any notice.

9. Completion Schedule & Payment Terms:

Payment Terms

The Payment for the successful bidder shall be made as follows for the scope of work.

| | | |
|----|---|--|
| a) | Upon receipt of material at site | 25% of Quoted value |
| b) | On Completion of Sub Structure | 50% of Quoted value less already paid |
| c) | Completion of the work and handling over | 95% of Quoted value less already paid |
| d) | After the completion of Defect Liability period of one year | 100% of Quoted value less already paid |

Work Completion Schedule

The complete scope of work of Design, supply and Erection of Multi-Purpose Dining Hall at IISER Tirupati Transit Campus should be completed as per the schedule below:

| | | |
|----|--|---|
| a) | Submission of Final Design & GFC Drawings for Approval | 10 days from the date of issuing the work order |
| b) | Completion of Sub Structure | 30 days from the date of acceptance of drawing |
| c) | Completion of Super Structure | 60 days from the date of acceptance of drawing |
| d) | Completion of all services and handling over | 75 days from the date of acceptance of drawing |

10. Approved Makes List

| S.No | Description of Materials | Makes |
