8. The Institute will not be responsible for any type of technical issue regarding uploading of Tender on website.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF/XLS format. Bid Original documents may be scanned with 100 dpi with Black & White option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, GST, Annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents.
5. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should log into the website well in advance for the submission of the bid so that they can upload the bid well in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document as a token of acceptance of the terms and conditions laid down by IISER Tirupati. Failure to do so (or) incomplete/partial submission shall lead to rejection of the bid.
3. In case of Bank Guarantee (BG) bidder should prepare the BG as per the instructions specified in the tender document. The BG in original should be posted/couriered/given in person to the concerned official before the Online Opening of Technical Bid. In case of non-receipt of BG in original by the said time, the uploaded bid will be summarily rejected.
4. Bidders are requested to note that they should necessarily submit their financial bids in the format provided (as per Chapter-5) and no other format is acceptable. The Financial Bid can be submitted in PDF format also. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white Colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
5. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
8. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

vi) Bids submitted without Tender fee will be rejected & no correspondence in this regard shall be entertained.

4.3. Technical Specifications:

Time & Specifications are the basic essence of the contract. It must be ensured that the offers must be strictly as per the tender specifications and must strictly adhere to the project/delivery timelines. At the same time, it must be kept in mind that merely copying our specifications in the quotation shall not make the parties eligible for consideration of the quotation.

A quotation has to be supported with the printed technical leaflet/literature of the quoted model of the item by the quoting party/manufacturer and the specifications mentioned in the quotation must be reflected /supported by the printed technical leaflet/literature. Therefore, the model quoted invariably be highlighted in the leaflet/literature enclosed with the quotation.

The Technical bid should not contain any price information (or) anything related to Financial Bid. Any mention of commercials/prices in the technical bid shall lead to disqualification of the tender and shall not be considered for further evaluation process.

Non-compliance of the above shall be treated as incomplete/ambiguous bid and the bid will be ignored/rejected without giving an opportunity for clarification/negotiation etc. to the bidder.

4.4. Compliance Statements:

i) Bidders must furnish a Compliance Statement of each and every required Specification of our tender in the format at ANNEXURE-‘B’. The deviations, if any, from the tendered specifications should be clearly brought out in the statement. Technical literature/leaflet showing the compliance of the specification must be attached with the quotation.

ii) Similarly, the Compliance Statement/questionnaire for Terms & Conditions of the tender may be furnished, as per the enclosed format at Annexure -‘A’, along with quotation (with techno- commercial bid in case of two bid tender system).

iii) The firms are advised to submit both the compliance statements essentially along with their quotation failing which their offer will not be considered.

8. Technical Committee

(i) On the due date, the Technical bids will be opened and referred to a duly constituted technical committee. The committee will go through the technical aspects of the tender and recommend short listed firms. The recommendation of the technical committee is the final and binding on all the parties.

(ii) The technical evaluation will be an assessment of the Technical Bid. IISER Tirupati representatives will proceed through a detailed evaluation of the Technical Bids as defined in Chapter IV (Schedule of requirements, specifications and allied technical details), in order to determine whether they are substantially responsive to the requirements set forth in the tender. In order to reach such a determination, IISER Tirupati will examine the information supplied by the BIDDERS, and shall evaluate the same as per the specifications mentioned in this tender.

(iii) The technical committee may formulate evaluation criteria in addition to the specifications and requirements indicated in the tender, in the interest of IISER Tirupati and these criteria/recommendation will also form as a part of short-listing of the firms.

(iv) The Technical Committee will examine all the Technical aspects of the bids received. Further, the Technical Committee may seek additional information from the existing users at IISER Tirupati or from other Institutes and also call for Technical presentations/mock up/demo from the BIDDERS if it is required so.

(v) The Institute may call for Technical Presentation/mock-up/demo of the product as a part of the technical evaluation by giving sufficient time for the bidders to make arrangements for the same.

(vi) The information received and the bids already submitted together and presentations/mock ups/demo (if any) will be examined with reference to the tendered specifications and evaluation is made by the Technical Committee.

(vii) After the technical evaluation is completed and approved, IISER Tirupati shall inform to the BIDDERS whose bids have been rejected technically along with the reasons for rejection.

(viii) The successful BIDDERS will be informed regarding the date and time of Commercial bid opening.

(ix) In the event of seeking any clarification from various BIDDERS by IISER Tirupati, the BIDDERS are required to furnish only technical clarifications that are asked for. No amendment to commercial bid will be entertained at that stage. In case if a BIDDER fails to quote for a

particular item, it amounts to non-compliance and hence such bid will not be considered for further evaluation. Further during this process if any BIDDER indicates the price during the clarification, such bids also will not be considered for further evaluation.

9. Commercial Bid Evaluation:

Based on results of the Technical evaluation IISER Tirupati evaluates the Commercial Bid of those Bidders who qualify in the Technical evaluation.

a) IISER Tirupati shall be free to correct arithmetical errors on the following basis:

(i) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser, there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected.

(ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

(iii) If there is a discrepancy between words & figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

b) Selling exchange rate/equivalent to Indian currency will be as on the date of bid opening in the case of single bidding and the rate on the date of opening of the Commercial bids i.e. Financial Bid in the case of two-part bidding.

c) The bids shall be evaluated on the basis of final landing cost as per format given in Price Schedule in case of import / indigenous items.

d) The comparison between the indigenous and the foreign offers shall be made on FOB destination basis and CIF/CIP basis respectively. However, the CIF/CIP prices quoted by any foreign bidders shall be loaded further as under:

- Towards customs duty and other statutory levies - as per applicable rates.
- Towards custom clearance, inland transportation etc. - 2% of the CIF/CIP value.

e) Where the price quoted on FOB/FCA and CIF/CIP basis are the same, the Contract would be made on CIF/CIP basis only.

CHAPTER-2: INSTRUCTIONS TO BIDDERS

1. PREPARATION AND SUBMISSION OF OFFERS:

a) Quotation should be submitted directly by the original manufacturer/supplier or its sole authorized distributor/dealer/Agent. In case of bid by authorized dealer/distributor/ Agent, the manufacturer authorization should be attached with the technical bid as per **Annexure-‘D’**.

One Agent can participate in a tender on behalf of one manufacturer only. No offer will be entertained if the same Agent is representing another manufacturer for the same item.

Bids from only one authorized distributor/retailer/reseller will be entertained, who has authorization from the company to quote for this tender. Multiple bids from various distributors from the same manufacturer will not be entertained & the company / principle providing multiple authorizations will be rejected from the tender.

b) The bidder shall bear all costs associated with the preparation and submission of its bid irrespective of the conduct or outcome of the bidding process.

b) The bidder should not indulge in any corrupt, fraudulent, collusive, coercive practices during the entire process of procurement and execution of contract/order.

c) In case of NON – LOCAL SUPPLIER i.e. a bidder is not doing business within India, the bidder shall furnish the certificate to the effect that the bidder is (or) will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period (or) ensure a mechanism at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period.

d) Before the deadline for submission of the bid, IISER Tirupati reserves the right to modify the bidding document and to extend or not to extend the date of submission. Such amendment/modification will be hosted on CPP portal and on the IISER Tirupati website.

f) Conditional tenders will be summarily rejected.

2. Delivery Period / Timeliness:

The deliveries & installation must be completed within 60 Days (Sixty Days) days after placement of purchase order. The time along with the specifications is the essence of the

- g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

For details about registration procedures please visit the above-mentioned OM. Mandatory documentary evidence regarding the bidder's registration with DPIIT is to be submitted along with the tender, failing which the tender shall be liable for rejection.

Bidders are also requested to submit the Model Certificates as **per Annexure 'K'** for this tender as mentioned in the Ministry of Finance OM No. 6/18/2019-PPD dated 23rd July 2020.

20. Force Majeure: IISER Tirupati may consider relaxing the penalty and delivery requirements, as specified in this document, if and to the extent that the delay in performance or other failure to perform its obligations under the Contract, is the result of a Force Majeure. Force Majeure is defined as an event of effect that cannot reasonably be anticipated such as acts of God (like earthquakes, floods, storms etc.) acts of states, the direct and indirect consequences of wars (declared or undeclared) hostilities, national emergencies, civil commotion and strikes at successful Bidder's premises. The bidder will immediately notify the IISER Tirupati by reasonable detail of the Force Majeure Event. If a Force Majeure Event continues for more than 30 days, the Institute may cancel the purchase order issued, without liability.

21. DISCREPANCIES If there are any discrepancies in price schedule and tender document please refer to the BOQ in the Central Public Procurement Portal, the BOQ item/words/conditions mentioned in BOQ prevails.

22. Dispute Settlement:

IISER Tirupati and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the IISER Tirupati or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration.

Arbitration may be commenced prior to or after delivery of the Goods under the Contract. The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

(a) In case of Dispute or difference arising between the IISER Tirupati and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director, IISER Tirupati, if he is unable/ unwilling to act, to the sole arbitration of some other person appointed by his willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

(b) In the case of a dispute between the Purchase and a Foreign supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier, then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules. The venue of the arbitration shall be the place from where the purchase order or contract is issued.

23. Jurisdiction: The disputes, legal matters, court matters, if any, shall be subject to Tirupati Jurisdiction only.

CHAPTER 4

SCHEDULE OF REQUIREMENTS, SPECIFICATIONS & ALLIED TECHNICAL DETAILS

1. Quadrupole Time of Flight (Q-TOF) or Equivalent Mass Spectrometer

1.1 Ion source

- A combined electrospray ionization (ESI) & atmospheric pressure chemical ionization (APCI) source must be included. Vendors can also quote dedicated ionization sources.
- The ion source should also have direct analysis probe.
- Positive and negative ionization capabilities must be included as standard on the instrument.
- Source elements to be removed and cleaned without breaking instrument vacuum.
- Sample introduction must be done through direct infusion or through LC.
- ESI Flow Rate Range: upto 2ml/min (without the use of splitter).
- The instrument should be capable of internal reference mass correction for MS and MS/MS operation without losing sensitivity.

1.2 Mass analyser

- Quadrupole Mass Range: The instrument must have a high mass filter for efficient transmission of ions having mass range at least ≤ 50 to $\geq 30,000$ m/z or better and upto 4000 m/z or better in resolving mode for QTOF.
- TOF Mass Range: 30,000 m/z or better.
- For Equivalent High-Resolution analyzer other than TOF, the mass range must be ≤ 50 to ≥ 5000 m/z.
- Automatic mass calibration must be included.
- The QTOF mass analyzer / equivalent must have linearity response of minimum 4 orders of magnitude or better while maintaining specified resolution for quantitation purposes.

1.3 Resolution, Accuracy & Sensitivity

- Resolution (full width at half maximum, FWHM) must be better than 40,000 (FWHM) for m/z = 900 to 3000 for QTOF technology (or) for equivalent HRMS mass analyzer the resolution must be more than 2,40,000 at around 200 m/z.

- b. The mass accuracy of the system should be less than 1 ppm, with both internal & external calibration standards for MS mode and less than 3 ppm for MSMS mode on 10 consecutive repeat measurements on column analysis.
- c. Sensitivity: S/N ratio \geq 1500:1 or better (Proof of statement must be provided for S/N ratio) in MSMS for 1 picogram on column.
- d. For other equivalent technology, the sensitivity data must be mentioned in detail & must be high enough.

1.4 Acquisition rate and ion optics

- a. 30 Spectras per second or better in both MS and MS/MS Mode or 18 Hz for others.
- b. The ion optics in the system should maximize sensitivity while maintaining system robustness.
- c. Neutral molecules and gas load must be actively exhausted for higher sensitivity of the system.
- d. Multiple reaction monitoring acquisition: The system should be capable of MRM acquisition or TOF MRM feature or any other equivalents for quantitative applications at pg levels.

1.5 Acquisition Modes

Following acquisition modes must be available:

- a. MS Scanning
- b. MS/MS product ion scanning
- c. Simultaneous MS & MS/MS scanning – for both qualitative and quantitative applications.
- d. DDA/IDA scanning.

1.6 Desolvation Temperature

The upper limit of the desolvation temperature must be more than 400 degree C, which should be programmable for every solvents & compounds.

1.7 Vacuum System

A high efficiency vacuum system with turbo pumps / rotary pumps or equivalent must be provided for making the instrument sensitive enough

1.8 User-interface

Two compatible high-end workstations for online and offline data analysis and for controlling the mass spectrometer, LC, and the auto-sampler for data acquisition, data processing should be included.

Specifications:

- a. Operating system: Preferably 'Windows 10 - 64 bit' or latest at the time of supply, LED monitor, CD/DVD read/write drives, 2 or more USB ports.
- b. A Compatible high-end duplex printing laser jet printer.
- c. 60GB RAM or higher, Hard disk: 10 TB or higher
- d. CPU: Quad-core processor or better

1.9 Software

- a. The Software must allow control of all parameters of the instrument.
- b. The software should include a user-friendly way to import and export spectral data.
- c. The software should allow deconvolution of multiply charged high mass peaks (deconvolution software).
- d. Software should allow offline data processing.
- e. The software should have capabilities to perform the following functions: Automated mass calibration, resolution, sensitivity checks.
- f. Software tools for addressing screening, component identification & structural elucidation workflows.
- g. The data processing software must incorporate an elemental composition calculator, algorithms for isotope pattern modeling that allow data interpretation of actual isotope patterns as standard. A goodness of fit from actual to theoretical isotopes must be included.

- h. The ability to filter out incorrect elemental composition calculations through the use of intelligent spectral interpretation algorithms must be incorporated.
- i. Software should give elemental formula with mass accuracy or ppm error and isotopic fit value. The software should also have capability for assigning structures by taking fragment ion spectra into account and automatically calculating fragments based on algorithms.
- j. Software for proteomics.

2. UHPLC System

The chromatography system should be capable of being operated both as a HPLC & UHPLC by interchanging the column Chemistry. It should provide an integrated configuration for solvent and sample management with the following specifications.

2.1 Pump:

- a. Quaternary pump with an operating pressure of minimum 15000 psi or better.
- b. Operating Flow Rate Range: 0.010 to 2.000 mL/min in 0.001 mL increments.
- c. System Delay Volume: < 400 μ l, independent of system backpressure (with standard mixer or additional mixer).
- d. Flow rate accuracy: ± 1 or better
- e. Flow rate precision: 0.075 % relative standard deviation or better.
- f. pH Range: 2.0 – 12.0

2.2 Autosampler

- a. Autosampler should be available with a capacity of approx. 90 vials or more of 2.0 ml or better capacity & sufficient no. of spare sample vials must be provided.
- b. The autosampler should have cooling facility up to 4 degrees or better and heating up to 40 degrees or greater.
- c. Programmable injection volume from 0.5 μ l to 20 μ l or better must be available with integral, active and programmable needle wash.
- d. The carryover of the autosampler must be less than 0.004% or better.

2.2 Degasser

The instrument should have in-built vacuum degasser facility with minimum four lines and should be efficient to remove dissolved air online.

2.4 PDA Detector

Light Source: D₂ Lamp/Tungsten Lamp or both

No of diode element: 512 or better

Optical Resolution: 1.2nm or better

Flow Cell Volume < 1µl for 10 mm path length

Wavelength range: 190-800 nm or better

2.5 Column Oven

A column oven should be quoted with temperature upto 90 deg. or better.

2.6 Columns

- a. Sub 2 microns C18 UHPLC columns for the analysis should be supplied with a pH level of 2 – 12.
- b. Sub 2 microns Hilic UHPLC Columns for the analysis should be supplied with a pH level of 2 – 12.

2.7 Software

Standard licensed chromatography software capable of controlling the entire HPLC system (data acquisition, analysis & storage) based on latest windows version.

3. Nitrogen Gas generators

A suitable high quality noise free gas generator with built-in compressor capable of providing the gases at the required purity (99.5%), pressure, and flow.

- a. Flow rate must be 32L/min or better.

b. Should have a minimum footprint.

4. Maintenance and warranty

- a. Five years onsite warranty for all the mass spectrometer components including UHPLC, nitrogen generator etc.
- b. The warranty period should start from the date of complete installation of all the spectrometer componenets.
- c. Re-installation while moving to the permanent campus within five years of installation should be at 'Free of Cost'.
- d. The instrument should be attended within 48 hrs after reporting the issues

5. Training

a. Basic operation & application training:

At least 4-5 days training on basic operation including the software, instrumentation control, acquiring data, data interpretation, small & large molecule applications, organometallics should be provided at the time of installation.

b. Advanced application training:

A follow up training during the first two years for atleast 4-5 times is needed for method developments, basic training or any specific applications based on our requirement.

6. UPS

A 10 KVA online UPS with a minimum 1 h backup should be supplied with the system

7. Others

1. Other gases along with regulators should be supplied along with system.
2. Documents for the proof of performance must be provided along with the compliance sheet. Technical compliance sheet must be provided in the requested format.
3. The vendors must submit/upload all the technical data sheets as per their claim in original & authenticated.

4. Standards/reagents & MS Grade solvents required for the successful installation must be supplied.
5. The vendor must submit at least 10 or more latest customer details / PO copies / references of the same model supplied in India.
6. The system should have future upgradation option to Gas chromatography.
7. Both LC and MS should be from same manufacturer and single point control for both LC and MS system is desirable.
8. All components required for a functional system must be included.

8. Optional item/s

Additional three years AMC or warranty to be quoted separately

NOTE:

1. Bidders should give point by point compliance w.r.t. the tender specifications. Bidders should provide technical literature and brochure of the offered model and mention the same in the compliance table. Bids without technical literature will be summarily rejected.
2. Point by point compliance of the bid in a tabular format w.r.t specifications along with reference to the pages in the technical literature submitted by the bidder is to be clearly mentioned and submitted.
3. Non-compliance to any of the two points above shall be treated as INCOMPLETE/PARTIAL BID & shall not be considered for further process.
4. If technical committee wishes to examine the instrument specification, the vendors may also be called for the demonstration of instrument for the various parameters.
5. The bidder must have supplied at least five (5) systems during the last three (3) years to Government Organizations we IISER/CSIRs/IITs in India. and, bidder must enclose order copies and its performance certificates.

PRE CONTRACT INTEGRITY PACT

The specimen of the Pre-Contract Integrity Pact which is part of tender documents is as follows: -

INTEGRITY PACT

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact) is made on ____ day of the month ____ 2021 between the Indian Institute of Science Education & Research, Tirupati (herein after referred to as 'BUYER'), which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s _____ represented by Shri _____ Chief Executive Officer (hereinafter called the "BIDDER / Seller" , which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

Whereas the BUYER proposes to procure Supply, Installation & Commissioning of _____ and the BIDDER / Seller is willing to offer / has offered the stores and

Whereas the BIDDER is a private company/public company/partnership/ registered export agency, constituted in accordance with the relevant law in the matter and

the BUYER is a Department of the Government of India under Ministry of Education performing functions on behalf of the President of India.

Now, therefore,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/unprejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:

Enabling the BUYER to obtain the desired said stores/equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will commit to prevent corruption in any form by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

Commitments of the BUYER

- 1.1. The BUYER undertakes that no official of the BUYER, connected directly or Indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the Contract.
- 1.2. The BUYER will, during the pre-contract stage, treat all Bidders alike, and will provide to all Bidders the same information and will not provide any such information to any particular Bidder which could afford an advantage to that particular Bidder in comparison to other Bidder
- 1.3. All the officials of the BUYER will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.

In case any such preceding misconduct on the part of such official (s) is reported by the Bidder to the BUYER, with full and verifiable facts and the same is prima facie found to be correct by

the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

Commitments of BIDDER

2. The BIDDER commits himself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commits himself to the following:
 - 2.1 The BIDDER will not offer, directly or through intermediaries, any bribe, Consideration, gift, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the Contract.
 - 2.2 The BIDDER not to enter into any undisclosed agreement or understanding with other bidders with respect to prices, specifications, certifications, subsidiary contracts etc.
 - 2.3 The BIDDER further undertakes that he has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the Contract or any other Contract with the BUYER for showing or forbearing to show favour or disfavour to any person in relation to the Contract or any other Contract with respect to the BUYER's Organization.
 - 2.4 BIDDERS shall disclose the name and address of agents and representatives and Indian BIDDERS shall disclose their foreign principals or associates.
 - 2.5 BIDDERS shall disclose the payments to be made by them to agents/brokers on any other intermediary, in connection with this bid/contract.

- 2.6 The BIDDERS further confirms and declares to the BUYER that the BIDDER is the original manufacturer/ integrator/ authorized Govt. sponsored Export entity of the stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the BUYER, or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER; nor has any amount been paid, promised or intended to be paid to any such individual, firm or Company in respect of any such intercession, facilitation or recommendation.
- 2.7 The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.
- 2.8 The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 2.9 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 2.10 The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposals and business details; including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 2.11 The BIDDER not to pass any information provided by the BUYER as part of business relationship to others and not to commit any offence under PC/IPC act;
- 2.12 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 2.13 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.

- 2.14 If the BIDDER or any employee of BIDDER on any person acting on behalf of BIDDER, either directly or indirectly, is a relative of any of the officers of the BUYER, or alternatively, if any relative of an officer of the BUYER has financial interest / stake in the BIDDERS firm, the same shall be disclosed by the BIDDER at the time of filling of tender. The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act 1956.

3. Previous Transgression

3.1 The BIDDER declares that no previous transgression occurred in the last three years -immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged herein or with any Public Sector Enterprise in India or any Government Department in India that could justify BIDDERS' exclusion from the tender process.

3.2 The BIDDER agrees that if it makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

4. Bid Security Declaration

4.1. While submitting the technical bid, the BIDDER shall also submit Bid security declaration as per Annexure- XX

4.2. In the case of successful BIDDER, a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the Provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this pact.

4.3. No interest shall be payable by the BUYER to the BIDDER(s) on Security Deposit for the period of its currency.

5. Sanctions for Violation

- 7.3. The Monitor shall not be subject to instructions by the representatives of the parties and performs their functions neutrally and independently.
- 7.4. Both the parties accept that the Monitors have the right to access all the documents relating to the project / procurement, including minutes of meetings.
- 7.5. As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the IISER.
- 7.6. The BIDDER(s) accepts that the Monitor has the right to access without restriction to all project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to subcontractors. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER(s) / Contractor(s) / Subcontractor(s) with confidentiality.
- 7.7. The BUYER will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the BUYER and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
- 7.8. The Monitor will submit a written report to the Director IISER, Tirupati within 8 to 10 weeks from the date of reference or intimation to him by the BUYER and BIDDER and should the occasion arise, submit proposals for correcting problematic situations.

8. Facilitation of Investigation

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.
