TECHNICAL QUERIES AND CLARIFICATION

TENDER NUMBER -: IISERT/PUR/0072/26

PRE-BID DATE:19/08/2026

S. No	Query/Clarification Sought	Clarification / Amendment
1	A vendor requested to consider magnetic-sector gas analyser in the point number 2.	This is accepted. Please read the point number 2 in the specification as: Mass Spectrometer - Triple-filter quadrupole mass spectrometer with dual Faraday/Electron Multiplier detector or an appropriate magnetic sector instrument with compact size to house on a table top (max. 3ft by 2.5ft)
2	A vendor requested single port instead of multiport manifold in point number 12.	This is accepted as single port configuration also serves our purpose. However, there should be provision for the future upgrade with multiport. Please read the point number 12 in the specification as: UHV Manifold: Single port configuration. However, there should be provision in the equipment for the future upgrade with multiport.
3	A vendor sought clarification on point number 15. Whether these are optional accessories or not.	Yes, these are optional accessories and will not be considered for bid-evaluation. But the vendor is encouraged to provide optional quotation for these, if available.
